

Find out the work done by pushing and pulling in the following pictures.

Pull / Push	work
	<p>Grinding</p>
	<p>_____</p>
	<p>_____</p>
	<p>_____</p>
	<p>_____</p>

**Do you know ?**

Why does the ball hit against the wall bounce back to you with the same force?

### 3. HYGIENE

Have you seen such scenes in your surroundings?

- If such activities do not take place in our surrounding, what will happen?
- Where do these activities take place?

Look at the activities given below;  
Write down if their activity is right or wrong.

- It is our duty to keep the public places like bus stand, railway station, school, hospital and market place clean.
- To lead a healthy life, our surroundings must be clean.

This is old.

Which is new ?
