- B. Read the following passage and answer in your own words the questions given below : 5 × 2 = 10

Things become better when you expect the best instead of the worst. The reason is that, being freed from self-doubt, you can put your whole self into your endeavour. Nothing can stand in the way of the man who focusses his entire self on a problem.

Expecting the best means that you put your whole heart into what you want to accomplish. People are defeated in life not because of lack of ability, but for lack of wholeheartedness.

A major key to success in life, to attain that which you deeply desire, is to be completely released and to throw all there is of yourself into your studies, or any project in which you are engaged. But most people, unfortunately don't do that and this is the tragic cause of failure.

Questions :

44. How can you make things better ?
